

Dribble Boom - Tank Mount 30FT - 40FT

30/40 Outlet, Tank Mount, Folding Dribble Boom

The WER Dribble Boom is fitted with a WER Inverted Macerator/Distributor. When you combine this with 3" pipework, it means a 9,500 Gallon tank can be emptied in 2 minutes.

Comes standard with a galvanized finish, rear hitch, and has a 12" row spacing.
